

GROWTH

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: July 14, 2008
DESCRIPTION: One thousand new US citizens celebrated their new status at Cashman Center today. 72 different countries were represented in today's ceremony

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: July 14, 2008
DESCRIPTION: Starting tonight there will be major lane restrictions on I-15 that will drastically affect your commute. These lane closures will last about a year.

PROGRAM TITLE: NEWS 3 @ 5
TYPE: News
DATE OF BROADCAST: July 17, 2008
DESCRIPTION: The I-15 widening project is underway and the lane closures have some businesses bracing for the confusion. They say that after a couple weeks it should get better and hopefully business will be back up to par. The total bill for the widening project? 242 million dollars.

PROGRAM TITLE: NEWS 3 @ 11
TYPE: News
DATE OF BROADCAST: July 20, 2008
DESCRIPTION: Tomorrow crews will start working on yet another project that could result in potentially fewer cars on the road. It is the Ace Rapid Transit Project – similar to a light rail system. It will connect downtown to several other stops.

PROGRAM TITLE: NEWS 3 @ 11
TYPE: News
DATE OF BROADCAST: August 19, 2008
DESCRIPTION: There are steps you can take to keep your utility bills lower. On Saturday Nevada power will host it's annual energy assistance expo to help customers learn ways to conserve energy and save money.

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: August 20, 2008
DESCRIPTION: The slumping economy is putting a hold on more construction projects. McCarran Airport is making some money saving decisions to help financially battered airlines who need a break. They have postponed a list of projects that are not critical at the moment.

PROGRAM TITLE: NEWS 3 @ 5
TYPE: News
DATE OF BROADCAST: August 20, 2008
DESCRIPTION: Martin Luther King Blvd is going through a major widening project, and some say that it's bringing an increase in crime. People who live in the Bonanza Village Community say since construction workers knocked down a portion of the wall that surrounds their neighborhood, crime has increased.

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: August 21, 2008
DESCRIPTION: The RTC is hiring an outside consulting firm to consider other options for bus stop safety. Bad drivers have crashed into a number of bus stops over the past few years killing innocent people who were just waiting for their busses.

PROGRAM TITLE: NEWS 3 @ 11
TYPE: News
DATE OF BROADCAST: August 24, 2008
DESCRIPTION: Get ready for big changes when you park at McCarran. A new remote lot opens tomorrow near the rent a car center, while a new lot is being built. It should open in time for Thanksgiving.

PROGRAM TITLE: NEWS 3 @ 4
TYPE: News
DATE OF BROADCAST: July 17, 2008
DESCRIPTION: Citing lower than projected student growth, a weak economy, and the impact of state budget cuts, school board trustees discussed delaying the 9and a half billion dollar bond by two years.

PROGRAM TITLE: NEWS 3 @ Nightside
TYPE: News
DATE OF BROADCAST: 9/28/08
DESCRIPTION: McCarran International Airport is not only the busiest but now one of the safest. FAA will equip the airport with brand new runway safety technology. This will provide moving maps and alert systems in the cockpit for pilots.
